Hi Ms. Kinne,

We briefly met at the City Council Meeting on Wednesday. My neighbor, Jo, passed along your contact information to me.

I would love the opportunity to sit down with you sometime next week and discuss how we can work together to limit the noise levels that we're experiencing. I fully understand that kids can be loud, but often times the noise and the screaming is far beyond what is tolerable or expected.

Please let me know if you have any availability next week to talk. Any day but Thursday will work for me.

Thank you very much for your time.
